

GTS Solutions CIC Environmental Policy Statement

GTS Solutions CIC is an environmentally responsible organisation and as such we acknowledge the potential impact that our security operations may have on the environment.

This policy has been endorsed by top management who give their full support to its implementation. Top management in co-ordination with the 'environmental management representative' is responsible for ensuring that it is communicated, understood, implemented and maintained at all levels within the organisation.

We are committed to the prevention of pollution and continual improvement of our environmental performance.

As an organisation, we are committed to ensuring that we:

- Comply with all environmental legislation, using codes of practice and guidance produced by regulatory bodies to assist where appropriate.
- Provide all employees with the necessary resources, equipment, information, instruction and training to fulfill the requirements of this policy, commensurate with their role.
- Work towards implementing an informal environmental management system based on legal requirements and in accordance with other health & safety and quality procedures.
- Prevent pollution to the environment and strive to integrate environmental best practice into our business operations.
- Minimise waste to landfill by reducing waste generation and by segregating and recycling waste where economically and operationally feasible.
- Co-ordinate business mileage so as to maximise fuel efficiency.
- Use energy, water, materials and other natural resources as efficiently as possible, giving particular regard to the long term sustainability of consumable items.
- Consider the environment in the procurement of goods and services.
- Consider the environment in the goods and services we provide to customers.
- Work with local businesses, neighbours, partners or suppliers to encourage commitment and improvement in our local environment.

This policy will be communicated to all employees and organisations working for or on our behalf. Employees (and other organisations) are expected to co-operate and assist in the implementation of this policy, whilst ensuring that their own work, so far as is reasonably practicable, is carried out without risk to themselves, others, or the environment.

This policy will be periodically reviewed by top management and where deemed necessary will be amended and re-issued. This policy statement is displayed on-site. It is publicly available upon reasonable request by any interested party
